For any meal service, a final guaranteed number of guests is required a minimum of 30 days prior to the wedding.

Please note, we strongly discourage the wedding party being late for the reception. In the event of tardiness, we are not responsible for our food quality.

We reserve the right to slightly modify the menu due to non-availability of certain food or wine items. The replacement will be of equal value and quality.

Leave all the planning and details to us.  
We will take care of all your catering and bar needs.

### *Payment*

We require a \$1000.00 non-refundable deposit to guarantee the booking.  
Full payment of the estimated bill remaining is due 1 month prior to the wedding date.

We will need to know who is paying for what portion of the bill. We accept Visa, MasterCard, Debit, Money Orders and Cash only.

***Chapel/Viewpoint - 500.00 for the ceremony within a Wedding Package***

This includes: Pulpit, Signing Table, Arbor, Up to 40 Chairs

If you have a veil, you may need to appoint someone to hold it back during the ceremony as it can be windy. Any candles at the viewpoint should be incased in glass so they do not blow out easily.

If you are going to have a sound system, we advise against a big mic as it picks up the wind. We advise that you rent a little clip-on mic.

***Group Sites - \$35.00/unit/night***

For Group A we require a minimum of 15 units (trailers and tents), Group B a minimum of 10 units (7 trailers max) and Group C a minimum of 5 units. Group C is tents only and we do not allow vehicles in this area. All group sites are un-serviced.

Please use the fire pits provided. We do not allow you to make your own fire pit next to the sites. Any unregistered vehicles (vehicles without tags) are not allowed in the group areas.

***Amenities***

Please check what time our Store closes and make sure to purchase firewood, liquor, snacks, pop etc. before that time.

Our gate closes at 11 PM and reopens at 8 AM. Please confirm times at the Office.

### *Storage*

If you are bringing a cake, flowers or wine, we do need to know where they are being stored and who has them. If you would like us to store these items, we will need to know 14 days in advance to make room for them.

We will need to know:

What size the box is for the cake?

How many flowers are coming?

Are the flowers in bouquets or stems?

### *Decorations*

We do not allow anything to be hung on the walls of the Dome. You can use the bars to hang things on. Fishing line and binder clips work well – no tape or staples permitted. Food items of any kind, used for decoration, **MUST** not be brought in until the Dome opens.

Please be advised that flower petals will more than likely blow away in the Dome if the clam shell is lifted.

### *What your guests may want to bring with them:*

Alarm Clock

Lawn Chairs

Hair Dryer

Please note: Currently, we do not have cell service at the Resort or at the Group Sites. Internet is limited and not reliable.

### *Rehearsal*

We will need to know where the rehearsal is and what time so that we can get a hold of anyone in the event of emergency.

Please inform us if you would like a rehearsal dinner in our Restaurant or Pub. We can also provide and cater food trays.

### *Pictures*

Please let us know of any special equipment that will be used for photos such as:

Quads, motorcycles, statues, animals etc...

We do have a photographer available for a starting fee of \$2,000.00. Please let us know if you would like to book our photographer and we will put you in touch directly with him.

### *MC Announcements*

Please have your MC announce the following:

The Dome is a nonsmoking facility.

11 pm shut down and where everyone needs to go afterwards.

No outside alcohol is permitted in the Dome. If your guests bring in their own alcohol they will be asked to leave.

If it continues, we will shut down the bar.

### *Damages*

The host shall be held responsible for any damage to property or equipment of the David Thompson Resort caused by the host and/or his/her guests and is responsible for the actions and conduct of his/her guests.

The David Thompson Resort assumes no responsibility for any loss or damage to goods, property and/or equipment brought onto the property by the host or his/her guests.

### *Firewood*

Due to diseases that kill our trees, we do not allow outside firewood. We sell firewood for \$12.00/bundle or you can purchase a bobcat bucket of wood (approx. 20 bundles) for \$200.00. Purchases are for the Group Camp areas only. Please let us know in advance so that we can have it delivered prior to your arrival.

We do not allow fireworks in the campground

### *Breakfast*

Please let us know if you are choosing to eat in the Restaurant or the Cowboy breakfast in the pub so that we can prepare. Another option is that we can provide you with breakfast trays of any kind.

### *Gift Opening*

You have a choice of a couple of sheltered areas to open gifts in the morning/afternoon. We suggest the Dome or shelter. Both places are ideal for seating and any food that your family or our catering brings in. Let us know if we can provide any food trays or beverages!  
Please plan for an area/room that your gifts can be taken to after the reception and who will be looking after that. The Dome does not lock and although nothing has gone missing yet, we do not want your items to be the first.

**We have prepared this booklet to ensure a successful and happy day for you.  
If you have any questions or concerns, please don't hesitate to let us know.**
